SCHOOL VIDEO CLIP

We're going to spice up the introductions this year at the summer institute through video!

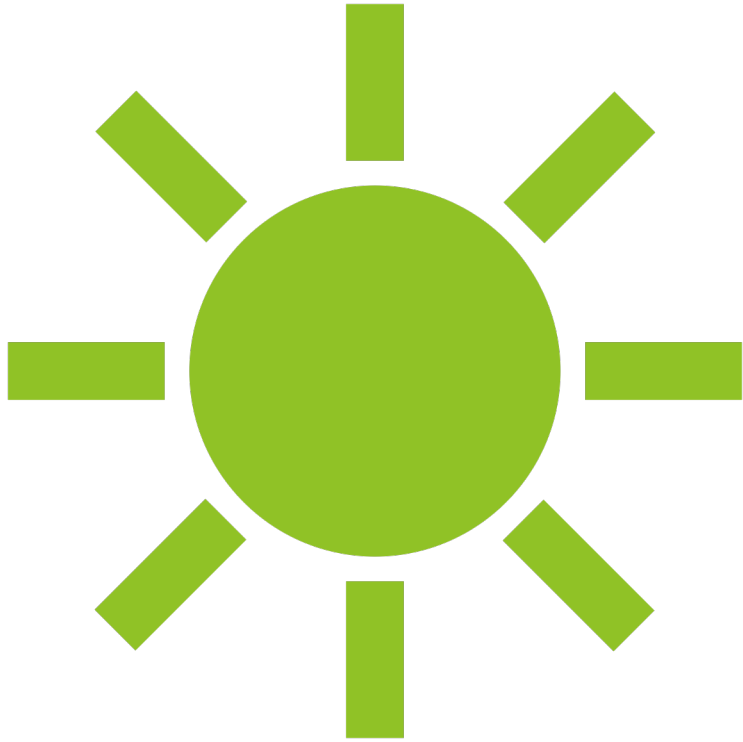

You will need to **create a one-minute video** highlighting some of your **MTSS accomplishments**. You can also describe your school's MTSS culture. Be sure to **identify** your **school's name** and **district** in your video.

You can either upload a video created using your own device (iPhone, etc.), or you can film your video here right on FlipGrid.

Be creative! Be bold! Be engaging! Overall, have fun with this!
